8 1. The proponents must submit a concept to the department of  
9 administration for the design, dimensions and proposed location of the  
10 monument.

11 2. The department shall review the concept and determine the most

21 with the proponents, the legislative governmental mall commission, in  
22 consultation with the department, shall approve the final design, dimensions,  
23 location and maintenance requirements of the monument.

24 5. Before the beginning of construction of the monument, the  
25 proponents must enter into a contract with the department of administration  
26 that specifies the conditions of the design, dimensions, location and  
27 maintenance of the monument and that includes a list of contractors and  
28 subcontractors that will be employed and a verification that all employees  
29 for the project are insured and that this state is indemnified against any  
30 liability in regard to the construction.

31 6. The monument must be completed and dedicated to this state within  
32 two years after the effective date of this act.
